**IN THE UNITED STATES DISTRICT COURT  
FOR THE SOUTHERN DISTRICT OF WEST VIRGINIA  
CHARLESTON DIVISION**

**IN RE DIGITEK®  
PRODUCTS LIABILITY LITIGATION**

**MDL NO. 1968**

**DECLARATION OF LESTER L. LEVY PURSUANT TO APRIL 15, 2011 COURT  
ORDER TO PROVIDE DETAILED TIME AND EXPENSE STATEMENTS IN  
SUPPORT OF APPLICATION BY WOLF POPPER LLP FOR AWARD OF  
ATTORNEYS' FEES AND REIMBURSEMENT OF EXPENSES**

I, Lester L. Levy, declare as follows:

1. I am a member of Wolf Popper LLP ("Wolf Popper" or the "Firm") and a member of Plaintiffs' Steering Committee ("PSC"). I have personal knowledge of the facts set forth in this Declaration. If called upon and sworn as a witness, I could and would competently testify thereto.
2. I submit this Declaration in response to the Order of this Court, dated April 15, 2011 ("Order"), to provide detailed, itemized time and expense statements in support of Wolf Popper's request for fees and expenses in connection with common benefit services provided by my Firm.
3. A description of the services performed by Wolf Popper and the expenses incurred are set forth in my original declaration ("Fee Declaration"). *See* Docket No. 448-4, filed 02/15/11, at Pages 36-74. This Declaration supplements that filing in accordance with the Order.
4. The following table summarizing the time the Wolf Popper personnel expended in rendering services in connection with this litigation, was originally attached as Exhibit B to my Fee Declaration.

5. As I explained in my Fee Declaration, the chart includes the time performed directly in connection with the PSC's common fund litigation efforts and the work that was performed at the direction of, and approved by, the PSC through Co-Lead Counsel. I excluded from such time the non-common fund work performed prior to the PSC, as well as other time.<sup>1</sup>

6. Annexed hereto as Exhibit 1 are the daily time entries for services performed on this litigation by my Firm. The daily time entries have been coded in the column to the right of each time entry so as to categorize the time spent. Time included in the above table spent on common fund matters (but not class certification related time) is designated as "PSC." Time spent on common fund matters related to class certification under the direction of the PSC is designated as "Class." Time that was excluded from my Firm's Fee Application is designated with an asterisk

---

<sup>1</sup> Some of the time which I excluded could readily have been included in my Firm's Fee Application, as it was by other firms in their's, such as time spent preparing PSC applications or time spent in connection with certain depositions.

(“\*”) in that column. In addition, where a time entry was included only in part, the amount of time that was included is indicated with the appropriate “PSC” or “Class” designation.

7. My Firm’s current rates (which are now higher than those that appear in the Fee Application) have been approved as recently as March 21, 2011 by the United States District Court for the District of New Jersey (*see Ercoline v. Unilever United States, Inc.*, Civil Action No.: 2:10-cv-01747-SRC-MAS (D.N.J.)). Our rates reflect the costs of practicing in New York City, which has higher rents, salaries, etc. than in other parts of the country. However, we are aware that the Steering Committee is recommending that all hourly rates be capped at a modest across the board level.

8. The following table summarizing the expenses incurred by my Firm was originally attached as Exhibit D to my Fee Application.

DESCRIPTION	COMMON FUND NON-CLASS	COMMON FUND CLASS	TOTAL COMMON FUND EXPENSES
Litigation Fund Assessment	\$25,000.00	\$0.00	\$25,000.00
Computerized Legal Research (Lexis, Westlaw, etc.)	\$1,566.57	\$3,667.80	\$5,234.37
Travel – Meals, Hotels, Transportation	\$2,555.78	\$0.00	\$2,555.78
Photocopying	\$127.00	\$1,367.50	\$1,494.50
Long Distance Telephone	\$210.85	\$10.85	\$221.70
<b>TOTAL</b>	<b>\$29,460.20</b>	<b>\$5,046.15</b>	<b>\$34,506.35</b>

9. Annexed hereto as Exhibit 2 is a detailed breakdown of the expenses incurred by my Firm.

10. Expenses for computerized legal research are the actual out-of-pocket expenses charged by the particular firm, e.g., Lexis, West Group (Westlaw), Pacer, on a monthly basis, and

do not include any additional charge imposed by my Firm for such services. Furthermore, the Lexis charges reflect a steep discount from the gross amount ordinarily charged by Lexis, as a result of a discounted monthly fee arrangement negotiated by my Firm.<sup>2</sup> Consequently, the \$5,234.37 sought to be reimbursed is significantly less than what normally would have been incurred or charged for such services absent the discount negotiated.

11. Expenses for travel include expenses for hotels, meals, airfare, trainfare, taxis, and other travel related expenses (no entertainment or miscellaneous expenses were included and no charges were included for the use of cell phones during out of town travel) exceed that which was included in the foregoing table. However, we are only seeking reimbursement for \$2,555.78 in travel related expenses. A detailed breakdown of these expenses are included in Exhibit 2. The \$1,494.50 charge for photocopying are charges for in-house photocopying/copy printing, at a rate of \$.15 per page, which are billed monthly.<sup>3</sup> The expenses for long-distance telephone include charges for facsimile. Sending/receiving facsimiles are charged at the regular rates for telephone calls and are not charged at a higher per page rate.

I declare, under penalty of perjury under the laws of the United States and the laws of West Virginia, that the foregoing facts are true and correct to the best of my knowledge, information, and belief. Executed on April 21, 2010.

  
Lester L. Levy

---

<sup>2</sup> As indicated on Exhibit 2, the majority of the computerized research charges are Lexis charges.

<sup>3</sup> My Firm changed machines and software with respect to billing for copying documents, telephone services, and facsimile services, while this litigation was pending and is therefore unable to provide the daily printout of such charges. In addition, the charge of \$1,494.50 reflects a minor typographical error. The charge is actually \$1,494.60.
